A cannibal son and his father are out looking for food. They are watching people walk down the street. The son suggested a particularly plump woman and the father rejected saying that she's too fatty. Later on the son asked about a very skinny woman. Again the father refused saying that she's too skinny. After a while the son pointed out a very attractive woman." sure son" the father replied, drooling. "We'll take her home and eat you mother!"

The Future

If you live in the past, you have no future.

Golden Rules

Live every day as if it were your last. Do every job as if you were the boss. Drive as if all other vehicles were police cars. Treat everybody else as if he were you.

Sky's the limit

If you did all the things you are capable of doing, you would literally amaze yourself.

"Honey, I have good news and bad news," a man tells his wife.
 "What is it?" she asks.
 "First I think I am losing my voice." He croaks.
 "So," his wife say's,
 "What's the bad news?"

The patient was lying in bed, still groggy from the effects of the recent operation. His doctor came in, looking very glum.
 "I'm not sure what's wrong with you." the doctor said. "I think it's the drinking."
 "Okay," the patient said. "Can we get an opinion from a doctor who's sober?"

My mom always said normal is just a cycle on the washing machine.

Bad taste is simply saying the truth before it should be said.

The paper bag was in terrible pain, so he went to see a doctor.

"I'm afraid your condition is incurable," the Doctor said.

"Oh, No!" the bag yelled.

"How did I catch this?"

"It's genetic." The doctor explained. "Your grandfather was a carrier."

Doing nothing is very hard to do; you never know when you are finished.

Moses and Jesus are playing golf. Moses selects a five iron and tees off. His ball lands in the lake. It's Jesus' turn.

"Tiger Woods would use this," he says, grabbing a five iron. "But my shot ended up in the lake!" Moses protests. "You should use a four iron."

"Tiger would use a five." So Jesus swings hard—and hits the ball into the lake. He's walking on the water, looking for it, when a man walks by. "Who does he think he is, Jesus Christ?" the man asks. "No," Moses explains. "He is Jesus. He thinks he's Tiger Woods."

My 12-year-old daughter was looking through an old magazine and came across a photograph of young women who was described as being 35-26-36. "What are we supposed to do?" she asked me. "Guess her age?"

A friend spent more than two hours in the salon, getting her hair cut, colored and blow-dried. After all that was it too much to ask to be treated like Cinderella entering the ball? Yet when she went to the desk to pay, the receptionist said to her, "Hello, Madam, who is your appointment with today?"

They must not have hired a very good hairdresser.

Some men were working at a Sawmill when one of them got to close to the blade and had his ear lopped off. The guys quickly started rummaging through the sawdust looking for the ear.

"I found it!" exclaimed a co-worker.

"Keep looking," said the earless one. "Mine had a pencil behind it."

After a high-school basketball game, the coach spotted a cell phone lying on the floor.

"Here," he said to the ref, "I think this is yours."

"What makes you think it's my phone?" asked the referee.

"Easy," the coach said. "It says you have ten missed calls."

Why were the elephants kicked off the beach?

They were walking around with their trunks down.

During a revival meeting, the evangelist invited people in need to the stage.

"Brother," he said to the first respondent, "what is your need?"

"My hearing," the man answered.

The evangelist stuck his finger in the man's ear and prayed.

"How's your hearing now," he asked.

"I don't know," the man replied. "It's not till next Tuesday."

Children Need Caring Homes

Foster parent opportunities are now available in your area.
Open your home and heart to a child in your community.

Foster care provides a caring and safe home environment that promotes healthy development for children during a time they must temporarily live away from home. Foster parents come from all walks of life and from all cultural, educational and economic backgrounds. Ongoing training and support is provided by Community Resources and Employment and by the Saskatchewan Foster Families Association. For more info, visit our web site at www.dere.gov.sk.ca.

If you have questions or want to discuss how to become a foster family, please call toll-free Charda Kirsch in Melfort at 1-800-487-8640 or Heather Reese in Nipawin at 1-888-487-8594

John lent his buddy Paul \$600 – and never heard from him again. A few years later, the two guys bumped into each other on the street.

"Long time no see," John said. "You owe me \$600. But I'm doing pretty well, so I'll waive half. When can I get the rest?" "Relax," Paul said. "I just paid you \$300."

Dealing with backstabbers,
there was one thing I learned.
There're only powerful when
you have your back turned.

The trouble with having an
open mind, of course, is that
people will insist on coming
along and trying to put things
in it.

Ask your child what he wants
for dinner only if he's buying.

Sex and golf are the two things
you can enjoy even if you're not
good at them.

My 5-yr-old son hadn't been
feeling well for a few days.
When spots appeared on his
skin, I told him I thought he
had chicken pox.

"But," Mick wailed, "I haven't
even been near a chicken.
